Join us on May 12th through May 16th for the annual KIWANIS KARNIVAL. Our festival has been held for more than 75 years. Our Karnival has brought joy to generations of residents, and majority of proceeds earned from the Karnival have been donated back to the community.

The money that you contribute will make a difference in the lives of many individuals as well. In the past year, Kiwanis contributed scholarships to graduating Livingston High School students. With your help, we were able to assist over 40 local organizations and charities and feed numerous local families that were food insecure

We are asking businesses and organizations to help make this event not only memorable but successful for those who will benefit from the proceeds. There are several sponsorships and donation levels, and we hope you will consider being a part of this special event and consider sponsoring.

Our Sign Board will display our Sponsors' names and logos on banners and signs for approximately 6 weeks. Signs and banners sponsoring food, rides and games will be prominently displayed throughout the event and at the sponsorship location areas.

Please return this form with your tax-deductible check made payable to the Kiwanis Club of Livingston, NJ Foundation and any art work you would like printed on your banner or sign no later than April 17th, 2026 to:
